

# File transfer, eco-responsible and virtuous

# What is FileVert?

**The file transfer solution  
sober, responsible and virtuous.**

***filevert.fr***

***FileVert PRO is CSR Ready!***

**sober › eco-responsible › secure ›  
efficient › confidential**

# Did you know that?

**4%**

is the share of GHG emissions generated by the digital sector, up **9% per year**.

**2 min**

of Internet browsing from France is equivalent to **20 meters travelled in a city car**.

**80%**

of data stored in the cloud **is never used**.

Datacenters use **2% of the global world energy**.

**1 mail**

**sent** with attachment = leave a standard light bulb on for 1 hour.

**100%**

is the increase in the volume of data stored by **companies each year**.

**Improve our  
uses**

**is one of the  
solutions**

# The solution

- Ephemeral transfers and economical
- ISO27001, ISO50001 and HDS (health data) certified hosting.
- French accommodation powered by renewable energy.
- Confidentiality assured

**5+ tons of CO2eq saved**

**Each kWh consumed is transformed into beneficial action for the planet and for humans.**

**With FileVert every transfer counts:**

- ⇒ **1 simple file transfer more economical** can contribute to the ecological transition and inform each recipient of the eco-gestures to adopt!

In addition, it is eco-compensated!

# FileVert is also :

76%

**less** storage time than **standard**.

20%

**more economical** per mega transfer

30%

**less resources** per visit (at a minimum).

2.2

minutes on **average** **per visit**.

0

unnecessary storage, abusive notifications, ad targeting, file previewing, data resale, **unnecessary resources**.

# Green

# How does it work?

**Visit [filevert.fr](https://filevert.fr)**

**Upload your files,  
get your link and share it!  
in 3 clicks**

**Your recipient clicks  
on the "Download"  
button and retrieves  
the files.**

# Why ?

**Control your  
impact and costs**

**Avoid saturating  
your cloud  
storage**

**Give substance to  
your **CSR and  
Green IT**  
commitments to  
your employees  
and customers.**

**Boost the  
effectiveness of  
your shares  
with control  
and sobriety**

**Transfer efficiently** according to your needs with 3 to 15 days of availability.

**Monitor and control** your exchanges and impacts alone or as a team.

**Promote your actions** while transferring your files

**Integrate your employees** into your CSR and CSR approach.

**Support** an ethical project.
